

“In a world full of opinions,
it is up to you to decide what you believe.”

BornToBeBraveTheBook.net

Cait Rose was raised and educated in Connecticut. As a young child, she absolutely loved writing children’s books, and it became a passion that has remained with her throughout her lifetime. The stories she creates these days dance with the rhythm of emotional intelligence, as she understands the importance of teaching little minds to unravel problems and shape their own conclusions in unique ways that foster strength and resilience for the individuals they are destined to become.

Born to be Brave the book

Cait Rose
